PhycoTerra® ST

SEED TREATMENT

PhycoTerra® ST is a proprietary liquid seed treatment. It works by feeding the native or added beneficial microbes found in the soil within the proximity to the seed. PhycoTerra® ST is a pasteurized, shelf-stable product that is a highly compatible addition when treating seed. PhycoTerra® ST may be applied in combination with a number of other seed treatment products.

GUARANTEED ANALYSIS*

Total Nitrogen (N)	0.3%
Available Phosphate (P_2O_5)	0.3%
Soluble Potash (K_2O)	0.1%

*Derived from 10% microalgae

Information regarding the contents and levels of metals in the product is available online at: **http://www.aapfco.org/metals.html**

NET VOLUME

___ 2.5 gallons (9.46 Liters) @ 68°F
___ 14 gallons (53.00 Liters) @ 68°F
___ 250 gallons (946 Liters) @ 68°F

DENSITY

8.51 lbs/gallon (1.02 kg/Liter) (20°C)

SHAKE/AGITATE THOROUGHLY BEFORE USE

For detailed mixing instructions scan the code on left or visit https://phycoterra.com/products/phycoterra-seed-treatment/

DIRECTIONS FOR USE

PhycoTerra® ST is suitable for all crops at use rate of 1 to 5 oz per hundredweight (CWT) applied on the seed as a treatment – simultaneously or in tank mix with other treatments, such as fungicides, insecticides, and biologicals. As a precaution, those using PhycoTerra® ST with other treatments in a blend must do a jar test first for mixing compatibility and a pH test to ensure no negative impact on living inoculants.

STORAGE RECOMMENDATIONS

For best results, it is recommended to keep this product in its original packaging until use and then used in its entirety after opening. For multiple use, the container should be sealed properly after each use and stored in a dry cool place. Avoid spillage as product may create a slip hazard.

PRECAUTIONS FOR USE

KEEP OUT OF REACH OF CHILDREN

Wear appropriate personal protective equipment to avoid skin and eye contact. Avoid breathing spray.

FIRST AID

Ingestion: Rinse mouth thoroughly. Do not put any object in the mouth of an unconscious person. In case of any symptoms of poisoning, take the patient to the doctor and show the label.

Contact with the skin: Wash with plenty of water and soap.

Eye Contact: Flush eyes with plenty of water for 15 minutes.

Inhalation: Remove to fresh air.

WARRANTY DISCLAIMER Manufacturer and seller warrants only that this product conforms to the product description on this label. Manufacturer and seller make no other representation or warranty or guarantee, whether express or implied, or by usage or trade, statutory or otherwise, disclaims any warranty of fitness for a particular purpose or merchantability, or eligibility of the product for any particular trade usage. Manufacturer and seller do not authorize any agent or representative to make any such warranty or guarantee to the extent permitted by law.

LIMITATION OF LIABILITY To the extent consistent with applicable law, in no event shall manufacturer or seller be liable for special, incidental or consequential damages, or for damages in their nature or penalties relating to the goods sold, including use, application, handling, and disposal. To the extent consistent with applicable law, manufacturer and seller shall not be liable to buyer or user by way of indemnification to buyer or to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or directions for use, of the goods sold by manufacturer or seller to buyer. All such risks shall be assumed by the buyer, user, or its customers. To the extent consistent with applicable law, buyer's or user's exclusive remedy, and manufacturer's or seller's total liability shall be for damages not exceeding the cost of the product. If you do not agree with or do not accept any of the directions for use, the warranty disclaimers, or limitations on liability, do not use the product, and return it unopened to the seller, and the purchase price will be refunded.
